Such ineligibility is effective for only one (1) football season.
- 11.8.1. When making this administrative decision, the AFC can rely on, but is not bound by, a decision of a national or international sporting body, arbitral tribunal or state court.
- 11.8.2. The AFC can refrain from declaring a club ineligible to participate in the competition if the AFC is comfortably satisfied that the impact of a decision made in connection with the same factual circumstances by a national or international sporting body, arbitral tribunal or state court has already had the effect to prevent that club from participating in an AFC Competition.
- 11.9. The AFC Entry Control Body shall make all final decisions in this regard. Such decisions shall be made in accordance with the Procedural Rules Governing the AFC Entry Control Body.
- 11.9.1. In addition to the administrative measure of declaring a club ineligible, the AFC may, if the circumstances so justify, initiate disciplinary proceedings in accordance with the AFC Disciplinary and Ethics Code.

MA allocated more slots than clubs who meet sporting criteria

- 11.10. Should an MA, as a result of the operation of Article 11.6, have more slots allocated to it than clubs who meet the sporting criteria, its vacant slots shall be redistributed or annulled in accordance with the procedure set out in Article 5.8 (for ACL) or Article 6.5 (for ACC).
